AMERICAN AND FOREIGN PATENTS
R. H. EDDY.
Solicitor of Patents.
For Inventions, Trade Marks and Designs,
No. 76 State St., opposite Kilby St., Boston.
After an extensive practice of upwards of thirty years, continues to secure Patents in the United States, also in Great Britain, France, and other foreign countries. Caveats, Specifications, Assignments and all papers for Patents executed on reasonable terms, with despatch. Researches made to determine the validity and utility of Patents of Inventions and legal and other advice rendered in all matters touching the same. Copies of the claims of any patent furnished by remitting one dollar. Assignments recorded in Washington.
No Agency in the United States possesses superior facilities for obtaining Patents or ascertaining the patentability of inventions.
All necessity of a journey to Washington to procure a Patent, and the usual great delay there are here saved inventors.

TESTIMONIALS
"I regard Mr. Eddy as one of the most capable and successful practitioners with whom I have had official intercourse. CHARLES MASON, Com'r of Patents."
"I have no hesitation in assuring inventors that they cannot employ a man more competent and trustworthy, and more capable of putting their applications in a form to secure for them an early and favorable consideration at the Patent Office.
EDMUND BURKE,
Late Commissioner of Patents."
"Mr. R. H. EDDY has made for me over THIRTY applications for Patents, having been successful in almost every case. Such unmistakable proof of great talent and ability on his part leads me to recommend ALL inventors to apply to him to procure their patents, as they may be sure of having the most faithful attention bestowed on their cases, and at very reasonable charges.
JOHN TAGGART."

VEGETINE
—WILL CURE—
SCROFULA.
Scrofulous Humor.
VEGETINE will eradicate from the system every taint of Scrofula and Scrofulous Humor. It has permanently cured thousands in Boston and vicinity who had been long and painful sufferers.
Cancer, Cancerous Humor.
The marvelous effect of VEGETINE in case of Cancer and Cancerous Humor challenges the most profound attention of the medical faculty, many of whom are prescribing VEGETINE to their patients.
Canker.
VEGETINE has never failed to cure the most inflexible case of Canker.
Mercurial Diseases.
The VEGETINE meets with wonderful success in the cure of this class of diseases.
Pain in the Bones.
In this complaint the VEGETINE is the great remedy, as it removes from the system the producing cause.
Salt Rheum.
Tetter, Salt Rheum, Scald Head, &c., will certainly yield to the great alterative effects of VEGETINE.
Erysipelas.
VEGETINE has never failed to cure the most inveterate case of Erysipelas.
Pimples and Humors on the Face.
Reason should teach us that a blotchy, rough, or pimpled skin depends entirely upon an internal cause, and no outward application can ever cure the defect. VEGETINE is the great blood purifier.
Tumors, Ulcers, or Old Sores
Are caused by an impure state of the blood. Cleanse the blood thoroughly with VEGETINE, and these complaints will disappear.
Catarrh.
For this complaint the only substantial benefit can be obtained through the blood. VEGETINE is the great blood purifier.
Constipation.
VEGETINE does not act as a cathartic to debilitate the bowels, but cleanses all the organs, enabling each to perform the functions devolving upon them.
Piles.
VEGETINE has restored thousands to health who have been long and painful sufferers.
Dyspepsia.
If VEGETINE is taken regularly, according to directions, a certain and speedy cure will follow its use.
Faintness at the Stomach.
VEGETINE is not a stimulating bitters which creates a fictitious appetite, but a gentle tonic, which assists nature to restore the stomach to a healthy action.
Female Weakness.
VEGETINE acts directly upon the causes of these complaints. It invigorates and strengthens the whole system, acts upon the secretive organs and allays inflammation.
General Debility.
In this complaint the good effects of the VEGETINE are realized immediately after commencing to take it, as debility denotes deficiency of the blood, and VEGETINE acts directly upon the blood.
Vegetine is Sold by All Druggists.

"DOUBTLESS THE **Best Cough Medicine** IN THE WORLD."
From one of the Oldest and very best Houses in America.
Messrs. CUTLER BROS. & CO.
CINCINNATI, Ohio, March 13, 1872.
Please send us ten gross small and five gross large "Vegetable Pulmonary Balsam." This is doubtless the best Cough Medicine in the World. (Signed) ALLEN & CO.
P. S.—These parties have sold this Balsam for over thirty years.
From one of Boston's most estimable citizens.
No. 5 Worcester Sq., BOSTON, March 14, 1872.
Messrs. CUTLER BROS. & CO.
In ordering another small lot of your invaluable Vegetable Pulmonary Balsam,
I should like to tell you what I know about it, in order that others may have the benefit of my
EXPERIENCE.
Since this Balsam first came to my notice, in 1845, I have kept it constantly in the house, never allowing myself to be out of it overnight. In all these
TWENTY-FIVE YEARS,
it has not failed in a single instance in my own case to give the desired relief, and I will say the same in regard to my mother, whose
LIFE WAS SAVED
by it as I cannot but think. Hers was a case of Congestion of the Lungs, and although attended by a most skillful Physician, she seemed to fail continually, so that we despaired of her recovery, when an old friend and neighbor persuaded her to try this Vegetable Pulmonary Balsam. The result was most gratifying, I assure you.
RELIEF WAS IMMEDIATE
and recovery rapid. She is now over 82 years old, and is active and well. Whenever she gets a severe cold, which happens once in a while, she takes thirty to sixty drops, according to the violence of the cough, which has always yielded in a day or two by taking the Balsam only on retiring at night. With it the
IRRITATION
is at once subdued, and a good night's sleep secured. I will mention another case, that of a young lady acquaintance, who
BLED AT THE LUNGS
and coughed frightfully, had night sweats and was fearfully reduced. She left Boston for her country home, the ... as we supposed to die. I sent her a Bottle of your Balsam, and soon had the satisfaction to hear that she was much better. She continued taking it for a while and got
ENTIRELY WELL
and is living now, which fact is to be ascribed mainly to the use of the VEGETABLE PULMONARY BALSAM. Very truly yours,
JOHN CAPEN.
As there are many imitations, be careful to get the genuine. Price in large bottles, which are much the cheaper, $1.00, small bottles old style, 35 cents.

Republican State Convention.

The Republicans of Maine are invited to send delegates to a State Convention to be held in CITY HALL, PORTLAND, Tuesday, June 15th, 1875, at 11 o'clock A. M., for the purpose of nominating a candidate for Governor and transacting any other business that may properly come before the Convention. [illegible]

A POLITICAL OUTRAGE

[illegible]

It is to be such is evident from their refusal to submit the point raised by themselves to the decision of the Judges of the Supreme Court. They knew the Judges would pronounce against them, and the decision would be in accord with the letter of the law under which they had made up their decisions, and as they had made up their minds to violate the Constitution, they did not propose to invoke the interdiction of the Supreme Court.

[From the Boston Herald.]

But we do not believe that any party can make anything by usurping a course that is not based upon justice and equity, and when the votes of Neil Head are thrown out, everybody knowing who was intended, we do not believe it is fair and honest. The question, however, is upon the right of the Executive to pass upon the returns at all. That seems to be a close question, for the lawyers, and we regret that the opinion of the Supreme Court could not be obtained upon it. It is a positive disadvantage for a Supreme Court to have so much ruled that it cannot make it up in four or five days.

[From the Boston Traveller.]

The Governor and Council of New Hampshire have done an illegal and unjustifiable act, and the manner in which they have doled the law, and usurped power, makes the offence the greater. After the promise to submit the question at issue to the highest judicial tribunal of the State, steps were taken to prevent a hearing in that body, as the Governor and his advisers very well knew that the contemplated act was illegal and would be so declared by that body. Having violated their own pledges in this matter, they were prepared to take the succeeding steps, and to offer their oaths of office, trample upon the laws of the State, and set at defiance the will of the people.

[illegible]

Or Red Cloud a doubtful question whether, or whether he included the interests of the tribe, it must be admitted that his delegates are quite as much fellow-delegates as any, and it is doubtless well that a new treaty should be made, as the letter of former treaties has been broken; but not that those should be arranged and carried through, in which a large proportion of the Indians are opposed.

The Monastic Orders in Prussia, which will feel the weight of the law last mentioned, have an aggregate membership of from nine to ten thousand. Of these 1037 are monks and brethren of the various orders and 8011 are nuns. The Jesuits are not included in this summary, as they were expelled from Prussia some time ago to the number of 880. Should the Prussian law of suppression be extended to the whole of Germany it will affect about ten thousand more, distributed as follows: Bavaria, 1094 men and 5084 women; Wurtemberg, 376 women; Baden, 349 women; Hesse, 39 men and 314 women; Saxony, 62 women, and in Alsace-Lorraine, 415 men and 2650 women. Most of the expelled Jesuits have taken refuge in Belgium, France and Holland, and it is likely that the other orders, if broken up, would find shelter in the same countries. A few Jesuits contrary to the rule have been founded at Baelst, close to the Prussian frontier, and it is reported that Prussia has directed a remonstrance to Holland on the subject.

POLITICAL AND PERSONAL.

Gen. Frank Blair is said to be improving in health. He has been able to take several rides in the open air.

The Baltimore Sun states that Mrs. Senator Sumner is to marry Mr. Henry Jones, a clerk in the New York Custom House.

The New Hampshire Democrats are paving the way for a great Republican victory at the election in that State next Spring.—*Portland Advertiser.*

The Pittsfield *Sentinel* is out for Charles Francis Adams for President. "Adams" that sounds familiar, but he can't spell Preside it.—*Boston News.*

A Western Democratic organ says: "We are about tired of defending the Republican party on paper." We hope not—it is the best way.

The Southern newspapers are getting some comfort out of their dull situation by telling *Harper's Weekly* the "Journal of Civilization."

"A brilliant villain," is what the editor of a Virginia Democratic organ calls General Sherman. They need a few loyal spelling matches in the Old Dominion.

Several of the Maryland newspapers predict that the Republicans of that State will strongly urge the nomination of ex-Speaker Blaine for the Presidency in the campaign of 1876.

The third party movement which was so successful in California two years ago, electing Gov. Booth and sending him to the Senate, is to be tried again this year. But the chances are against it, as many Independents will not with the Republicans. Following the course of the Sacramento Union, which has been the leader of the independent faction, and which has been merged with the *Record*, the Republican organ of the State.
